Rubisaki returns to Flemington on Saturday to run in the Listed Taj Rossi Stakes
Trained by Patrick Payne – ridden by Jye McNeil

Rubisaki heads to Flemington on Saturday to contest the Taj Rossi Stakes where she will be ridden again by Jye McNeil who did such a great job with her in her dominant win two weeks ago. She is a lovely filly by the exciting first season sire Rubick. We have some very good young sires in Australia at present. I am syndicating a Rubick colt with Kris Lees. Information on this colt is available later in this Dispatch.

It is a busy week for us with Rubisaki the first of three runners we have in stakes races for us. Invincible Al lines up in the Victorian Sprint Final and Reneged heads to Grafton for the Cup. The

prospect of a heavy track certainly helps his cause. The weather forecast for the Northern Rivers for the next few days is for plenty of rain, fingers crossed.

Casa De Lago runs today at Sandown. Black And Tan is scheduled to run at Warwick Farm on Wednesday with Addocarr most likely to run at Doomben rather than head to Grafton. Not Surprising will run at Gunnedah on Monday with Golden Script to Bendigo on Friday with Brad Rawiller to ride. Almerheri will most likely resume at Kembla next Thursday. Zelsignoret is likely to run at Mildura on Monday after not being able to secure a suitable rider in Adelaide.

On top of this we have plenty of horses heading to the trials which should see us having some nice 2yo runners before the end of the season. The future looks very bright.

SPORT IN GENERAL

The Australian men's cricket team are in great shape heading into the final game before the finals. A win against South Africa will see us head up the table. India should finish second with NZ, England and Pakistan fighting out the other two spots. It will be interesting to see the final makeup of the final series with Australia in with a huge chance of bringing home the World Cup trophy again.

The game tonight between England and NZ is a vital one for both teams with the loser likely to not make it through. It has been a great tournament with some of the cricket played by Afghanistan and Bangladesh being of a very high standard.

The Australian women's cricket team kicked off their Ashes Series against England with a win over night. This should be a very competitive series.

Wimbledon has started well for Australia with our top hope Ash Barty through to the second round along with Alexei Popyrin, Alex De, Ajla Tomljanovic, Alex De Minaur and Nick Kyrgios. Good luck to them.

Australian men's hockey team the Kookaburras have secured the top spot on world ratings beating Belgium in the final of the Pro League.

Hopefully the good news will continue with our golfers lining up in tournaments across the world in the next few days.

VISIT TO PATRICK PAYNE'S TRAINING COMPLEX

The visit to Patrick's training complex was a great success and allowed our owners not only to view the facilities on offer but to hear some of Patrick's theories on training his horses and caring for them. Patrick has invested a lot of money over the past 12 months with the boxes the horses are stabled in quite innovative in many ways. We are thrilled to be a part of his success.

WEANLING SYNDICATIONS

I purchased two yearlings at the Magic Millions National Weanling Sale. These colts by Rubick and Sizzling are growing out at Ascot Farm near Pitt Town. They are nice colts with the Rubick heading to Kris Lees and Sizzling going to Patrick Payne. I have had great success over the years purchasing weanlings and offering them to our clients. In my opinion we are purchasing them for less than half

what they would have cost as yearlings at next year's sales. The best horse in our team at present purchased as a weanling is Invincible AI who cost \$50,000 and has won six races and \$389,590 in stakes earnings. Here is some information on the Rubick colt.

More Winners – More Often – More Fun

Rubick colt out of Ciavenna (Ire.) 20
Kris Lees to Train 10% shares \$11,500 (5% shares \$5,750)

I was thrilled to secure this colt at the Magic Millions National Sale. I have purchased just the one yearling by Rubick with her racing as Rubisaki and being one of the most exciting horses we have raced for some time. This colt was offered by Edinglassie Stud which is one of our very best nurseries with Michael Talty being a breeder I have enormous respect for. Edinglassie has been a wonderful nursery producing outstanding horses including Shooting To Win, Deep Field, Nechita, Bentley Biscuit, God's Own, Wonderful World, Nadeem, Sharscay, Miss Margaret and Suntain.

I have had very good success buying horses from Edinglassie including the very good gallopers Savoureux, Eramor and Shine On Anna. **I purchased Eramor as a weanling and she went on to win the MRC Debutante Stakes.**

This colt really grabbed my attention. He has a great hindquarter, good shoulder but most importantly he is a great walking horse. I loved him from the moment I inspected him and was determined to purchase him.

Rubick

Rubick has started off his career at stud in wonderful fashion. He is currently 3rd on the First Season Sire's List for winners which is a great effort. Importantly, he is represented by some outstanding

gallopers who look to have very bright futures. His best to date is the classy colt Yes Yes Yes. He is also represented by our outstanding filly Rubisaki which has won two of her three races and could easily be undefeated. A young sire couldn't do much more and he looks like having a very successful career at stud ahead of him. His yearlings this year sold up to \$900,000.

Rubisaki winning at Flemington

Three starts two wins \$94,300 stakes earnings

Ciavenna (Ire.)

Ciavenna is a very well related young mare that was purchased in Ireland and brought here to go to stud. Her first foal is a Foxwedge colt which is yet to be named. This is the 2nd foal and she is in foal to Hellbent. The matings done at Edinglassie are amongst the best of any of our studs with the mare certain to be well mated. She is the ½ sister to three stakes performers.

On the pedigree page is the Group 1 Hollywood Oaks winner Cambina. I love buying out of families with Oaks winners on the page.

I'm thrilled to have secured this colt and I look forward to his racing career. At \$11,500 for a 10% share he looks very well priced particularly when you consider the results his progeny could produce over the next six months before the 2020 Yearling Sales Series.
